Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Sunday 10 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain, heavy in northwest, colder weather spreading south on Monday.

This Evening and Tonight:
Rain continuing across western Scotland, heavy in northwest. Eastern Scotland staying mainly dry. A mild night in most areas. The Northern Isles will stay colder with some rain or sleet.

Monday:
Mainly cloudy with further outbreaks of rain, heavy in northwest. Drier, brighter and colder over Northern Isles. Rain will turn to snow on high ground before clearing southwards later.

Outlook for Tuesday to Thursday:
Mostly dry, sunny, cold day on Tuesday. Cold frosty start to Wednesday then rain preceded by snow on hills crossing the country. Drier, brighter on Thursday with strong northwesterly winds.
